Federprogetti Members:
ANIE - Italian Association of Industrial Plant Engineering
ANIMA - Federation of the Italian Associations of Mechanical and Engineering Industries
ANIMP - Italian Association of Industrial Plant Engineering
ASSISTAL - Italian Association of Mechanical, Electrical and Telecommunication Contractors
ASSOMINERARIA - The Italian Petroleum and Mining Industry Association
OICE - Association of Italian Engineering Architectural and Technical-economic Consulting Organizations
UAMI - Association of the Italian Manufactures of Buildings and Industrial and Infrastructural Plants Assembly

Italian Federation of Industrial Plant Engineering

Federprogetti is a federation within Confindustria, which aims to represent the whole value chain of the Italian civil and infrastructural engineering and industrial plant industries.

Our Mission:

- ◆ to support the Italian industry in exploiting its competitive advantage and achieving its full potential;
- ◆ to represent the most appropriate vehicle worldwide of the "made in Italy" industrial plant engineering;
- ◆ to create a point of exchange and dialogue between the industrial companies and the research centres.

Our sectors:

- ◆ Power
- ◆ Oil&Gas
- ◆ Chemical and petrochemical
- ◆ Mechanical industries
- ◆ Electrical and electronic industries
- ◆ Transportation systems
- ◆ Assembly, logistics and transport
- ◆ Project management consulting

Our values:

- ◆ Excellence in design
- ◆ Multicultural and professional team
- ◆ Operational capabilities
- ◆ Reliability and HSE compliance
- ◆ Continuous professional growth
- ◆ Innovation and Research

We translate ideas into complex projects worldwide!

Federprogetti represents:

- ◆ Total revenues about 140 billion euro, over 50% abroad
 - *only for turn-key projects of engineering & contracting, over 80% abroad*
- ◆ Over 4,000 companies:
 - *main contractors*
 - *engineering companies*
 - *manufacturers of plant components*
 - *suppliers of electronic and mechanical technology*
 - *plant erection and assembly specialists*
 - *Italian research centres*
- ◆ A total manpower of 360,000 employees
 - *most of them highly specialized technicians and engineers*
